APRIL BOOK SALE CANCELED

You may have heard our sad news about the irreversible water damage to our long-standing book sale site in the basement of the admin building. We are working hard to find a new site for the storage and sales of thousands of donated books and are hopeful that these problems will be resolved in time for our July sale.

Please keep in mind that donations of adult books are no longer accepted at either the Downtown or East Bend branches.

Even though the book sales have been suspended for the near term, please remember that all memberships are important to our mission of funding programs for the Bend libraries. The contribution of your membership fees remains a significant source of funds for our core mission and we hope that you continue to support the FOBL with your ongoing membership. Thank you!

ART EXHIBIT: ←Click here for more information

The Friends of the Bend Libraries Art Committee will be accepting artwork for the next library exhibit on Wednesday, [April 10 from 4:00 to 5:30 in the Hutchinson Room, second floor of the downtown Bend library](#). The theme of this exhibit is "Dreams" or work inspired by the Novel Idea selection "Rocket Men". Work must be framed, or have rigid internal supports (as stretched canvas), 16"x20" minimum outside dimensions and a wire for hanging compatible with the library's hook and cable system.

FRIENDSHOP: ←Click here for more information

Both the downtown Bend library and the East Branch of the library continue to sell fiction, non-fiction and children's books. Even though the April Book Sale has been cancelled due to water damage, there are still options for buying great books at great prices in the Friendship (downtown) and the East Branch Sale Shelves.

Welcome to Our New Board Member, Patti Shelton!

Patti moved to Bend five years ago after living in Anchorage Alaska for 32 years. Reading has always been one of her favorite pastimes, and supporting her local library in Anchorage, and now in Bend has been a priority for her.

We have three beautiful granddaughters, who live in California, and Alaska, and we try to see them as often as possible. I love to downhill ski, and in the summer walks, hikes, and kayaking are among my favorite things to do. I play Mahjongg twice a week, and love spending time with friends and family. I certainly can say that I'm lucky to be on the Board with so many wonderful people!
